## One Hundred Seventeenth Congress

### Select Committee to Investigate the January 6th Attack on the United States Capitol

November 8, 2021

VIA U.S. MAIL

Lt. Gen. Michael Flynn (Ret.)  
[REDACTED]

Dear Lt. Gen. Flynn:

Pursuant to the authorities set forth in House Resolution 503 and the rules of the House of Representatives, the Select Committee to Investigate the January 6th Attack on the United States Capitol (“Select Committee”) hereby transmits a subpoena that compels you to produce the documents set forth in the accompanying schedule by November 23, 2021, and to appear for a deposition on December 6, 2021.

The Select Committee is investigating the facts, circumstances, and causes of the January 6th attack and issues relating to the peaceful transfer of power, in order to identify and evaluate lessons learned and to recommend to the House and its relevant committees corrective laws, policies, procedures, rules, or regulations.

The Select Committee’s investigation and other public accounts have revealed credible evidence of your involvement in the events within the scope of the Select Committee’s inquiry. You reportedly attended a December 18, 2020, meeting in the Oval Office during which participants discussed seizing voting machines, declaring a national emergency, invoking certain national security emergency powers, and continuing to spread the message that the November 2020 election had been tainted by widespread fraud.<sup>1</sup> The day before, you did an interview on Newsmax TV during which you talked about seizing voting machines, foreign influence in the election, and the purported precedent for deploying military troops and declaring martial law to “rerun” the election.<sup>2</sup>
